

Arborist 16-23
(diesel)

QuadChip 160
Wood Chipper

Arborist 15-23 (diesel)

- 150mm x 230mm (6-inch x 9-inch) Capacity
- 34hp Turbo diesel engines
- Twin Hydraulic Feed Rollers
- No-Stress Power Control
- Disc-Blade Chipping Technology
- Folding Infeed Chute

The Arborist 15-23 diesel is a 150mm x 230mm (6-inch x 9-inch) capacity machine with a 34 hp turbo diesel engine, twin feed rollers, No-Stress power control. A unique design allows a convenient infeed height with a top and side control/safety bar, eliminating most nuisance tripping. The folding infeed chute gives a compact transport mode and allows the chipper to fit inside your garage for safe storage. Road towable.

Hush Chip System	Optional
Brakes	Standard
Engine Make	Water Cooled Diesel
Engine Power	34hp Turbo Diesel, (26hp diesel export only)
Chipping Flywheel	500mm x 25mm
Noise Level	Lwa: 120dBa - Lpa: 94dBa
Feed Roller	Twin standard
Infeed Chute Opening	920mm x 820mm
Power Control	No Stress Electronic Feed Roller Control
Fuel Capacity	20 Litres Diesel
Fuel Consumption	3.5 litres/hr @ 60%
Hour Meter	Standard
Capacity	150mm x 230mm (6-inch x 9-inch)
Rotor Speed	2400rpm
Disc Cutters	4
Tyre Size	165 R13
Transport Length	3320 mm
Width	1290 mm
Height	2360 mm
Weight	750kg for 34hp (26hp 800kg)
